2022 May Mission Emphases
Grandparents Raising Grandchildren
and
The Bishop's Annual Appeal

Grandparents Raising Grandchildren provides resources to families to improve their stability and quality of life. There are over 8,500 children in Brevard County being raised by relatives, many of these grandparents. Services include: help with Access Florida, support group meetings, parenting classes, referrals for financial and legal empowerment, and support for social engagements and camp experiences.

To receive or provide support, contact Grandparents Raising Grandchildren at: 321-631-7776 or www.grandparentsraisinggrandchildren.org/

The 2022 Bishop's Annual Appeal is being split between: **Encounter with Christ in Latin America and the Caribbean** and **technology grants** for rural, small membership and ethnic churches. We plan to bring this offering to the Annual Conference in Lakeland in June.

Encounter with Christ in Latin America and the Caribbean provides grants to ministries in that area that align with four key focus areas: evangelization, leadership development, ministries with youth and children, and ministries with persons of indigenous or African heritage. For more information go to <http://umc-encounter.org/>.

Technology grants for rural, small membership churches. Churches need technology to offer hybrid ministries (in-person and on-line), especially our smaller, rural churches. This ministry helps them meet these technology needs.

Please mark your donations "May Mission."
