2022 September Mission Emphasis

Links of Hope

Links of Hope is a faith based social service agency in its 19th year, having served over 33,000 individuals. Their mission is to build strong families, in the context of Christian faith, by providing family management services to prevent child abuse, bringing hope to families and reducing incarceration rates.

Links of Hope works with inmates who are parents, striving to achieve improved parenting skills, teaching methods to redirect anger in positive and safe ways, restoring hope for those coming out of abusive relationships, and enhancing economic potential by increasing clients' literacy skills and enabling some to earn a GED.

Their annual banquet is here on November 5.

Tickets will go on sale shortly.

Please mark your donations September Mission Emphasis.
