2022 October Mission Emphases

Heifer International and One Body Global Ministries

Heifer International works in 21 countries to end poverty and hunger through partnership with the communities they serve. Their projects involve investing in livestock and agriculture, followed by mentorship to help participants build businesses, & ultimately gain access to supply chains and markets. These families then earn a living income and continuously lift up their communities as they train the next generation of leaders.

One Body Global Ministries assists people in remote areas of Central America. They are focused on community development, education, vocation and health-oriented programs through the lens of Christ's unconditional love and deep relationships as One Body in Christ. Their November fund drive will go towards providing medical care to a very poor community in Nicaragua.

Please mark your donations **October Missions**.

Our Red Bird Mission Trip is postponed due to Hurricane Ian.

Pumpkin Patch News

Come help unload the pumpkins on **Oct 11**.

Spots are available to **babysit** the patch and sell pumpkins. Visit the Grace Pumpkin Patch page at www.signupgenius.com/go/30e0c45aeab29a2f94-pumpkin.

Simply select the day(s) and time(s) that you would like to work. The signup is arranged in one-hour increments for flexibility, but we'd appreciate if you sign-up/work two-hour shifts.
