2025 April Mission Emphasis: MILA

MILA Elementary was the first multi-classroom school on Merritt Island, providing education to our children since 1953. It was also the first school in Brevard County to provide education and services to students with special needs. About 500 children attend MILA, and a significant percentage of the students are from families with limited resources and others who have a limited proficiency with English. The number of students considered to be “learning disabled” is greater than that of other schools. Grace has been an active partner with MILA for many years, supporting students and educators alike, with donations of supplies, food, books, clothing and more.

If you would like to be more involved in our support to
MILA Elementary, please contact
Jennie Williams at buglady4102@yahoo.com

Please mark your donations "MILA" or April Mission Emphasis.
