2025 June Mission Emphasis: Grace Preschool Scholarship Fund

Our Preschool has a great reputation in our community because of our staff and the support of the congregation. Each year we are able to help several families through your generosity; some children could not attend without your support. At our Preschool, children thrive. We provide extraordinary opportunities for children to play, learn, and grow, which enable each child to grow and develop in a social setting. We encourage children to be active, confident and engaged learners as they explore their environment and develop relationships with adults and other children. Thank you for your past and future support of this fund.

Please mark your donations “Grace Preschool Scholarship Fund” or June Mission Emphasis

Grace's Raise Right program has been such a blessing for us to order groceries to be delivered to our shut-in family members" one of our members is quoted as saying. If you have an online account set up you can instantly order Instacart gift cards to have your Publix grocery order delivered. Feel free to contact April Patellis (321-449-0181 or apatellis@juno.com) if you need help setting up an account. You can also place an order by dropping off cash or check in the front office. For every gift card you purchase the church receives a small percentage of your total. It's a win for everyone!

We are at the beginning of hurricane season. At our Annual Conference, the risk management team asked that churches do their part to minimize risk when we are faced with a potential hurricane event. We could really use your help. We have tarps over our preschool playground equipment that will need to come down, along with other jobs. If you are interested in helping the facility staff with hurricane preparation both at the church and the parsonage, please contact Charlie Hoyt at 321-452-2420. Thank you!
